

# Logging into your Bluehost SPOKE Account

1. Go to [bluehost.com](https://bluehost.com) and click on Control Panel Login

The screenshot shows the Bluehost website homepage. At the top left is the Bluehost logo with the tagline "The Web Hosting Solution Of Choice Powering Millions Of Websites". On the top right, there is a "Control Panel Login" button highlighted with a red box and a red arrow pointing to it from the right. Below the logo is a navigation menu with links: Home, Features, Help Center, About Us, Blog, Founder's Blog, Dedicated Hosting, Affiliates, and Resellers. The main content area features a large blue banner for "Professional Web Hosting for ~~\$6.99/mo.~~ \$3.75/mo.\*". To the left of the banner is a list of features: UNLIMITED Domain Hosting, UNLIMITED GB Hosting Space, UNLIMITED GB File Transfer, UNLIMITED Email Accounts, FREE Domain, FREE Site Builder w/ templates, Secure Shell, SSL, FTP, Stats, CGI, Ruby (RoR), Perl, PHP, MySQL, \$100 Google Advertising Offer, and 24/7 Phone, Chat & Email Support. Below the banner is a "Sign Up Now" button and a list of benefits: No Hidden Fees, Free Instant Set-up, and Anytime Money-Back Guarantee. At the bottom of the page, there is a dark banner with the text "dedicated done right. more power. more control. available now." and a "Learn More" button. On the right side of this banner, it says "50% off first month".

# Changing your Password

1. Once inside your cPanel click on Account

The screenshot shows the Bluehost cPanel interface. At the top, the Bluehost logo is on the left, and the user information "Admin User: crussell as cust for lserna27.kine1301003.com" and "lserna27.kine1301003.com (shared)" is on the right. A "Logout" link is also present. Below this is a navigation bar with "Home", "Hosting", "Domains", "Addons", "Account", "Cart", and "Help". The "Account" menu item is highlighted with a red box, and a red arrow points to it from the right. Below the navigation bar is a secondary menu with "cPanel", "Server", "Passwords", "Payments", "Tickets", and "Marketplace". The main content area is divided into several sections: "Notices" with a video thumbnail, "Getting Started" with icons for "Getting Started", "How-To Videos", "Knowledge Base", "Change Settings", and "Go to cPanel"; "Setup E-mail", "Create Website", "Upload Files", "Install Scripts", and "Manage Server"; "Featured" with a "MOJO Marketplace" banner and a list of features; and "Hosting Services" with a table of services and an "Add New Hosting Service" button.

Add New Hosting Service

## 2. Then Password and enter in your new password

The screenshot shows the Bluehost account management interface. At the top, the Bluehost logo is on the left, and the user's name 'Admin User: crussell as cust for lserna27.kine1301003.com' and 'lserna27.kine1301003.com (shared)' are on the right. A navigation bar contains 'Home', 'Hosting', 'Domains', 'Addons', 'Account', 'Cart', and 'Help'. Below this, a secondary navigation bar has 'Profile', 'Passwords', 'Payments', and 'Settings'. The 'Passwords' link is highlighted with a red box and a red arrow pointing to it. Below the navigation is the 'Manage Your Password' section. It starts with a 'Main Password' heading and a grey bar. A blue box contains the text 'Admin user detected. Current password not required.' with two red arrows pointing down to the 'New Password' and 'Retype New Password' input fields. To the right of these fields are 'Create' and 'Password Generator' buttons. Below the input fields are two expandable sections: 'Protect your password' and 'Tips for choosing a password'. A blue box at the bottom contains the text 'Admin user detected. PIN update section removed for admin user.' and a list of password requirements.
